EXPERIENCE

Doordash, Antioch - *Dasher*

September 2019 - PRESENT

- I am my own boss, I am persistent with customers orders and am very detailed with the orders making sure everything is present.
- I have made a total of 3310 Lifetime Deliveries, with a 4.94/5 Customer Rating, 96% acceptance rate, and 98% completion rate

East Bay Regional Parks District, Antioch/Alameda - *JR Lifeguard Instructor*

May 2021 - August 2021

- This is a seasonal job that required me to be in charge of a group of thirty kids with two other instructors, making sure I kept track of their allergies, waivers and checking in with parents with exceptional customer service
- At the end of the 2021 Season I was awarded best JR Lifeguard Instructor of the district including 10 different facilities.

Amazon Whole Foods, Oakland - *Picker/Packer*

July 2020 - July 2021

- I would be in charge of quickly picking and packing customers orders and find suitable substitutes for the products if not present on the shelves.
- I would be in charge of my own orders and finding all the products on my own. After the first week I adapted in finding what was needed for the orders and went beyond to memorizing where products multiple pick spots are.

EDUCATION

University of California, Davis - *Genetics*

August 2017 - Present

During the 2022 year I sustained a spinal injury that caused two fractures and a slippage, I had to take off two quarters of the 2022 year to recover but have 2 quarters left of classes.
